The acceptance of rent by Landlord, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express waiver in writing, shall not be construed as a waiver of Landlord's right to act or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this Agreement.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof shall not be deemed to be waived, released or terminated by the service of any five (5) day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's rights to possession of the demised premises. Landlord may collect and receive any rent due from Tenant, and payment or receipt thereof shall not waive or affect any such notice, demand or suit, or in any manner whatsoever waive, effect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Article XVIII

Upon termination of this Agreement by lapse of time or otherwise as herein provided, Tenant agrees to surrender the demised premises and the Building and improvements situated thereon in good condition and repair without the receipt of any demand for rent, notice to quit or demand for possession whatsoever.

Tenant shall be entitled during the term of this Agreement and for fifteen (15) calendar days after termination thereof, to remove from the premises any and all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it pursuant to this Agreement, subject, however, to any valid lien Landlord may have thereon for unpaid rentals or other amounts payable by Tenant to Landlord, and provided that Tenant shall have repaired all damage resulting from said removal.

Tenant shall be deemed to have abandoned to Landlord any of said equipment or property of Tenant which it has failed to remove from said premises within the aforesaid fifteen (15) calendar days after the end of the period of this Agreement or effective date of termination thereof, unless Landlord shall grant in writing a further period for this purpose.

5. Certain personal property belonging to the lessor, as itemized in the receipt therefor to be signed by the lessee, has been loaned by the lessor to the lessee for use by the lessee in the demised premises during the term of this lease. 7. The front and rear vestibules and lobbies, the elevators and also the stairways shall be considered common areas for the use of all tenants of the building in which the demised premises are located. 8. Any dividing partitions in the garage area of the demised premises which are not bearing partitions may be removed by and at the sole cost and expense of lessee and lessee at its sole cost and expense may also relocate any movable or so called temporary partitions located in the demised premises. No other alterations shall be made without prior consent of the lessor.

9. Lessor consents that lessee may install and maintain directory boards in the entrance vestibules of the said building and may install a sign, with or without illumination, outside the entrances of the said building to advise the public of the facilities offered therein, provided that all such boards and signs shall be dignified and in keeping with other similar signs utilized by lessee in the City of Chicago.

10. Lessor also consents that lessee may remove vault doors in the demised premises provided that such doors are replaced by lessee at the termination of this lease.

11. At the inception of the term of this lease lessor will wash or paint, as may be necessary, interior walls and ceilings of the demised premises and clean the carpeting and blinds located therein. Thereafter such painting, washing or cleaning shall be done by lessee as required from time to time during the term of this lease.

12. Lessee may occupy the demised premises as soon after the execution and delivery of this lease as lessee may desire prior to March 1, 1965. No rent will be charged for any such period prior to said March 1, 1965.

14. Lessee may sublet all or any part of the demised premises to any governmental agency or to any other sublessee satisfactory to lessor.

15. If lessee is not then in default under any of the provisions of this lease, upon written notice delivered to lessee not later than on August 31, 1966, lessee may extend the term of this lease for one additional year to end February 29, 1968, at the same rental reserved and upon all the other provisions and conditions of this lease; provided, however, that in the event the real estate taxes for the land and building of which the demised premises are a part (including the parking lot to the rear thereof), payable during the year of such extended term, shall exceed the sum of $17,500.00 lessee shall pay to lessor on demand as so much additional rent hereunder 56% of the amount by which such taxes exceed the said sum of $17,500.00.

Taxes Levied for School Purposes for Board of Education of City of Chicago for Year 1968.

On motion of Alderman Keane the City Council took up for consideration the report of the Committee on Finance deferred and published on January 17, 1968, pages 2172-2173, recommending that the City Council pass a proposed ordinance transmitted with the committee's report [printed in Committee Pamphlet No. 7 and designated as the figure "4" appearing on pages 3-6 of said pamphlet] to levy taxes for school purposes for the Board of Education of the City of Chicago for the year 1968.

Alderman Keane moved to pass said proposed ordinance.

During debate, Alderman Keane read the section and paragraph of the Statute of the State of Illinois, pertaining to the Annual Tax Levy of the Board of Education, which stated that " . . . the City Council *shall* upon the demand and under the direction of the Board, annually levy all school taxes"; he stated that he had checked the figures as submitted by the Board of Education in its tax levy sent to the City Council and found the levy to be within the tax levy as authorized by the Statutes of the State of Illinois. He stated that the courts have ruled that it was mandatory upon the City Council to pass the Tax Levy of the Board of Education.

The privilege of the floor was extended to Corporation Counsel Raymond Simon to answer legal questions propounded by Alderman Burke as to what effect a negative vote would have on the passage of the Tax Levy for the Board of Education.

The main question then being put, on the passage

of the Tax Levy Ordinance of the Board of Education of the City of Chicago for the Year 1968, the motion Prevailed and said proposed ordinance was *Passed,* by yeas and nays as follows:

Nays—Aldermen Buchanan, Staszcuk, Aiello, Scholl —4.

ning and architecture. Of particular importance is the provision of a variety of structure types appropriately related in terms of scale so as to provide a continuous harmony and visual continuity. The inclusion of single family townhouse construction in relation to high rise structures on the east side of Clark Street is desirable in order to achieve compatibility with existing townhouse structures adjoining the project area. Business retail and service facilities are intended to serve the residential development and should be fully integrated in the design of the residential structures so that they do not in any way detract from the dominant residential character of the project area. All design elements should be handled with discretion so as to achieve a compatibility of site planning and architecture throughout the project area.

4. *Land To Be Used for Institutional Purposes*

As shown on the Land Use Plan, a small segment of land is now owned by and is specified for use by the church located northeast of Goethe and LaSalle Streets, and a private club located north of Germania Place, due west of Clark Street.

5. *Changes in Rights-of-Way*

The existing street pattern is to be retained with minor changes.

Schiller Street is to be widened to 90 feet from the existing 40 foot right-of-way. Local access from LaSalle Street, Division Street and from North Avenue will be restricted so that those streets may serve adequately as through traffic-ways.

E. *Controls on Redevelopment*

Major controls on use of the project land are shown on "Land Use Controls" attachment to the Land Use Plan.

The redevelopers, their successors or assigns will be required by contract to observe all provisions of the Redevelopment Plan, including land use controls, for a period of forty (40) years from the date of City Council approval of the first land disposition in the project area. Also, they will be required to submit a redevelopment progress schedule satisfactory to the Department. It is anticipated that redevelopers will not be permitted to defer the start of construction for a longer period than required for the preparation of architectural plans and submission of such plans to the Department for the latter's determination as to conformance to the Redevelopment Plan. In the event marketing considerations indicate it would be appropriate, a developer may adjust his redevelopment progress schedule upon approval of the Department. The contract with the redevelopers will include prohibitions against land speculation.

Changes in the Redevelopment Plan will be approved by the Department of Urban Renewal, and by the Chicago City Council, upon recommendations by the Planning and Housing Committee of the Council and the Chicago Plan Commission.

Referred—Proposed Amendments to Sundry Sections of Chicago Zoning Ordinance to Prescribe New Regulations to Classify Uses in Various Districts.

Honorable Richard J. Daley, Mayor, submitted the following communication, which was, together with the proposed ordinance transmitted therewith, *Referred to the Committee on Buildings and Zoning:*

Office of the Mayor
City of Chicago

March 6, 1968.

To the Honorable, The Members of the City Council of the City of Chicago:

Gentlemen—I transmit herewith proposed amendments to the Zoning Ordinance of the City of Chicago. The proposals, if adopted, would have the effect of classifying all drive-in establishments as special uses in the various districts of the Zoning Ordinance. Experience has shown that drive-in establishments such as drive-in restaurants and gasoline stations tend to create local community problems. All special uses require a hearing before the Zoning Board of Appeals. Therefore, the residents of the community in which the drive-in use is to be established would have an opportunity to present objections if they exist prior to the establishment of the drive-in business.

This proposal will again involve the residents of the neighborhoods and communities in our City and give them more opportunity to express their views in shaping their respective communities.

Your favorable consideration of these proposed amendments is requested.

Very truly yours,
(Signed) Richard J. Daley,
Mayor.

Your favorable consideration of this matter will be greatly appreciated.

Very truly yours,

OFFICE OF THE MAYOR
CITY OF CHICAGO

To the Honorable, The Members of the City Council of the City of Chicago:

GENTLEMEN—At the request of Corporation Counsel Raymond F. Simon, following a recent decision in the United States District Court, I submit several proposed amendments to the Municipal Code relating to the chapters dealing with disorderly conduct, resisting arrest and trespass. These proposals seek to modernize the language contained in these sections and to remedy the deficiencies ascribed to the ordinances in the opinion of the Trial Judge.

Your favorable consideration of these proposals is requested.

Referred—PROPOSED AMENDMENTS TO REVISE REGULATIONS GOVERNING MOTION PICTURES SCHEDULED FOR GENERAL EXHIBITION TO PERSONS AGED 17 YEARS AND UNDER.

Honorable Richard J. Daley, Mayor, submitted the following communication, which was, together with the proposed ordinance transmitted therewith, *Referred to the Committee on Judiciary:*

OFFICE OF THE MAYOR
CITY OF CHICAGO

March 6, 1968.

To the Honorable, The Members of the City Council of the City of Chicago:

GENTLEMEN—At the request of Corporation Counsel Raymond F. Simon, I submit a proposed amendment to the City of Chicago Motion Picture Ordinance. The proposal, if adopted, would have the effect of reducing the time for administering the provisions of the entire section within a period of twelve days. It provides for an automatic review by the Motion Picture Appeal Board whenever a motion picture is refused a permit by the Motion Picture Censor Board. The provisions of the ordinance apply only to motion pictures which are scheduled for general exhibitions. All pictures which are shown to audiences comprised only of persons eighteen years of age or older are exempt from all provisions of the Motion Picture Ordinance. Put in other words, the proposed ordinance retains the element of prior censorship only for persons seventeen years of age and under and reduces the time allowed for the various steps in reviewing a motion picture film.

Your favorable consideration of this proposed ordinance is requested.

Very truly yours,
(Signed) RICHARD J. DALEY,
Mayor.

Acknowledgment Made for Creation of National Advisory Commission on Civil Disorders and its Report.

Honorable, Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution.

WHEREAS, The National Advisory Commission on Civil Disorders was established by President Johnson on July 28, 1967, with the responsibility of reviewing instances of racial disorder in American cities; and

WHEREAS, The President designated Illinois Governor Otto Kerner as Chairman of the National Advisory Commission on Civil Disorders and directed the Commission to answer three basic questions, what happened, why did it happen and what can be done to prevent them from happening again; and

WHEREAS, To respond to these questions, the Commission undertook a broad range of studies and investigations, visited numerous cities, heard many witnesses, and sought counsel of experts across the country; and

WHEREAS, In recent days the National Advisory Commission on Civil Disorders has concluded its studies and has filed its report, the three basic principles of which

"—To mount programs on a scale equal to the dimension of the problems.

"—To aim these programs for high impact in the immediate future in order to close the gap between promise and performance.

"—To undertake new initiatives and experiments that can change the system of failure and frustration that now dominates the ghetto and weakens our society."

serve to stimulate our resourcefulness, challenge our sincerity and compel our support; and

WHEREAS, The people of the City of Chicago and the City Council can be proud, that although there is much more to be done, the City has had underway many of the programs recommended by the Commission; and these include an outstanding integrated police force, a police community workshop in every district, a central police registrar office for receiving and registering citizens' complains, an outstanding job opportunity and manpower training program, one of the most expanded head-start programs in the nation, neighborhood health facilities, establishment of rodent control within buildings, more than thirty-six thousand public housing units and the most extensive housing for senior citizens in the nation, an aggressive code enforcement program, the launching of multi-million dollar programs for rehabilitation and new housing, a far flung program for the removal of slums and the clearance of slums and property for commercial and industrial expansion, a summer program for employment and recreation which has reached thousands of young people; the establishment of urban progress centers to carry on the war against poverty in every neighborhood, a division directed specifically to protect consumers, and the support of nearly all of our citizens, all of which are of the nature and quality of governmental action which the Report urgently recommends; and

WHEREAS, The importance of these programs and the necessity to seek ways to broaden their range and bring their benefits to ever-increasing numbers of our citizens, is incontrovertibly documented in the Report of the National Advisory Commission on Civil Disorders; now, therefore,

Be It Resolved, That the City Council of the City of Chicago commends President Johnson for his wisdom and leadership in creating the National Advisory Commission on Civil Disorders and acknowledges with gratitude the long and arduous efforts of the Commission and its Chairman, Otto Kerner, which resulted in an outstanding Report of unparalleled importance to America and her cities; and

Be It Further Resolved, That every effort be expended to bring the benefits of existing city programs to increasing numbers of our citizens and to explore new and different methods in making our City a better place in which to live, work and worship.

Tribute Paid Late Rt. Rev. Monsignor William J. Gorman.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, in His Infinite Wisdom, called to his eternal reward the Right Reverend Monsignor William J. Gorman, Chaplain of the Chicago Fire Department, on February 9, 1968; and

WHEREAS, Monsignor Gorman, known as "Father Bill" and loved by thousands of Chicago firemen and their families, became the first chaplain of the Department in January, 1922, only a month after he was ordained a priest, and for forty-six years faithfully served as chaplain. On innumerable occasions he faced great peril in crawling through the debris of a fire scene to bring encouragement and moral strength to countless firemen trapped under falling walls, or to administer the last rites to fire victims with no hope of rescue or survival. His career began with a boy's interest in the neighborhood firehouse at Wolcott Street and Grand Avenue, when he followed the fire trucks as they made their runs. The firemen adopted him as their mascot. While serving as a parish assistant, he continued to follow the trucks. After becoming chaplain, he went to fires in a car with a driver supplied by the Department. The husky six-footer, identified by his white helmet with a small cross, went to all the extra alarm fires, since a special wire connected to the Central Fire Alarm Office was installed in the bedroom of his parish house a few years ago. In 1931 he braved roaring flames and blinding smoke to save the Eucharist when the old Santa Maria Addolorata Church at 901 W. Grand Avenue burned. In February, 1934 he rescued a man from the second floor of a burning building, cutting his hands as he crashed through a glass door. At a Madison Street hotel fire in 1951, where several firemen seemed hopelessly trapped beneath rubble, he crawled half way into the rubble, heard the confession of one and administered last rites to all the trapped men, who were eventually rescued. One night he forced his way on hands and knees through debris below a leaning wall to reach a dying fireman, the father of five children. On another night, sensing a possible tragedy, he ordered a score of firemen off a roof shortly before it collapsed. Disregarding his own safety, he administered last rites to 25 persons of the 61 who perished in the LaSalle Hotel fire on June 5, 1946; and

WHEREAS, Although on 24-hour emergency call with the Fire Department, Monsignor Gorman still found time to fulfill his pastoral duties. His last pastoral assignment was at Resurrection Catholic Church, 5082 W. Jackson Boulevard, where he was pastor emeritus at the time of his death. Previously, he had served at All Saints and St. Columbanus parishes; and

WHEREAS, Monsignor Gorman's strength of character was abundantly evident during his long career as chaplain. No matter how rough things got during a fire, he was always in close to the action. He, who could call every man by his first name, was always on the scene to aid and comfort injured firemen. He was the first to break the tragic news to the families of firemen killed, a solemn task he performed 170 times. He described his work, but not in terms of heroism or even of duty; "Just say this fire department business is a spiritual hobby . . . a change from my regular duties. Firemen are wonderful men . . . Their courage humbles me." "Father Bill's" courage humbles all who knew him. He was a man of deep understanding and great compassion, respected by men of all faiths, a devout priest who dedicated his life to the service of his parishioners and the firemen of his native city. His death is an irreparable loss to the Chicago Fire Department and he is deeply mourned by not only 4,500 city firemen in 118 firehouses but also by a grateful public; now, therefore,

Be It Resolved, That the Mayor and members of the City Council of the City of Chicago, in meeting assembled this 6th day of March, A.D. 1968, hereby express their heartfelt appreciation of the contribution of devoted public service which the Right Reverend Monsignor William J. Gorman, Chaplain of the Chicago Fire Department, made to the spiritual welfare and moral courage of Chicago's firefighters, and express their profound sense of loss at his passing; and

Be It Further Resolved, That as a mark of respect to his memory, a suitable copy of this memorial resolution be forwarded to Fire Commissioner Robert J. Quinn.

Alderman Harvey moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

On motion of Alderman Harvey (seconded by Alderman Danaher) the foregoing proposed resolution was *Adopted,* unanimously, by a rising vote.

Tribute Paid Late William F. Harrah.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, in His Infinite Wisdom, has brought to an end, on February 18, 1968, at the age of 86 years, the earthly life of William F. Harrah, a Chicago City Council aide for 68 years and Sergeant-at-Arms for more than half a century; and

WHEREAS, Mr. Harrah, one of the best known figures in the City Hall, began his career in 1900

when he joined the Council as a temporary $3.00-a-meeting pageboy. A native of Effingham, Illinois, the son of a lawyer, he came to Chicago in that year, prepared to work in a law office while attending law school, and on the advice of an attorney took the job as a page. He advanced to council stenographer and clerk before becoming Council Committee Secretary and later Council Committee Secretary in Charge. Appointed Sergeant-at-Arms of the Council in 1915, he served in that capacity until 1923 and from 1931 until the time of his death. His first employer was Mayor Carter H. Harrison, Jr. He served under ten Mayors, including Mayor Richard J. Daley, who once had worked under him as a clerk in this Council. In 1951, the Council presented him with a star designating him "Alderman of the 51st Ward." He described himself then as "the Council's No. 1 fan". A motion prevailed that in recognition of his long service, Mr. Harrah be made temporary presiding officer of a council meeting in 1963, but he noted that he had been advised a long time ago never to overmatch himself, and graciously requested the Mayor to resume the Chair. He said he had thrived on listening to the speeches of aldermen, adding "It may be one of the secrets of a long life"; and

WHEREAS, "Bill" Harrah enjoyed his work, his associates and the many friends he had accumulated over the years. In his work he was known for his prompt attention to the expressed and anticipated wishes of the Aldermen. He was respected for his character, knowledge and energies which he freely applied in helping solve the many problems posed by the responsibilities of his office. Very active, despite his advancing years, he regarded care of the Council Chambers as his personal responsibility. He did not count the hours. All who knew him were impressed with his many salient qualities, including a warm friendliness, humility, spirit of helpfulness, and his firm loyalty to the aldermen, his friends and his family; now, therefore,

Be It Resolved, That the Mayor and the members of the City Council, in meeting assembled this 6th day of March, A. D. 1968, acknowledge that in the death of William F. Harrah the City of Chicago, and notably this body, has lost a faithful, efficient and esteemed civil servant of exceptional worth for whom we express our sense of loss and extend to he bereaved son, William, and his family, our most sincere condolences; and

Be It Further Resolved, That in recognition of the esteem in which he was held and in tribute to his memory, a suitable copy of this resolution be presented to his family.

Alderman Keane moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

On motion of Alderman Keane (seconded by all the members of the City Council) the foregoing proposed resolution was *Adopted,* unanimously, by a rising vote.

Eulogies were made by many of the members of the City Council, each recalling their associations with the late Mr. Harrah and spoke of his knowledge, helpfulness and advise rendered when they entered the Council for the first time. They stated that the late Sergeant-at-Arms took it upon himself to interest himself in the many problems faced at various times, both as Aldermen and as members of a committee and were happy to follow his advice and suggestions. They each expressed a personal loss on the death of Mr. Harrah and extended their condolences to his son and his family.

Honorable Richard J. Daley, Mayor, then addressed the Council and related the many instances that he experienced when he worked as a stenographer under the leadership of Mr. Harrah; he found him a devoted, loyal, dedicated public servant who had given his life to the service, not only to the members of the City Council, but to the people of the City as a whole, and that he had been proud to be of service to his beloved adopted City.

Tribute Paid Late John P. Wilson, Sr.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, in His Infinite Wisdom, has called to his eternal reward John P. Wilson, Sr., retired Deputy Commissioner of Public Works and former Alderman of the 11th Ward, on February 11, 1968; and

WHEREAS, John P. Wilson, ably and conscientiously served for thirty-four years in the capacity of Deputy Commissioner in the Department of Public Works, charged with the responsibilities of hiring laborers and trucks, subject to the approval of the Commissioner of Public Works, which position he resigned in January, 1967, because of illness. He was first elected to the City Council in 1925 and was reelected for a second term. During his career of eight years as a member of this body, he served actively and constructively on many committees, including those on Finance, Buildings and Zoning, local Transportation, Local Industries, Streets and Alleys, Judiciary and State Legislation, and Schools, Fires and Civil Service. He was Chairman of the Committee on Recreation and Aviation from 1931 to 1933, and was a member of the Chicago Aero Commission and of the Opera Co-operation Committee. From 1935 to 1967, he served as President of the Laborers' and Retirement Board of the Employees' Annuity and Benefit Fund of the City of Chicago. For several years, he acted as Chairman of Community Fund drives conducted among city employees; and

WHEREAS, John Wilson, by his lifetime of dedicated and devoted public service as Alderman and as Deputy Commissioner of Public Works, contributed in great measure to the betterment of the community he represented, the 11th Ward, and to the general welfare of the people of Chicago. His warmth and kindness had endeared him to all who knew him; now, therefore,

Be It Resolved, That the Mayor and members of the City Council of the City of Chicago, in meeting assembled this 6th day of March, A. D. 1968, hereby express our sorrow at the passing of our former colleague, John P. Wilson, Sr., and extend our sincere condolences to his bereaved family; and

Be It Further Resolved, That a suitable copy of this memorial resolution be presented to the family of John P. Wilson, Sr., as an expression of our sympathy.

Alderman Danaher moved to *Suspend the Rules Temporarily* to permit immediate consideration of and action upon the foregoing proposed resolution. The motion *Prevailed.*

On motion of Alderman Danaher the foregoing proposed resolution was *Adopted,* unanimously, by a rising vote.

Tribute Paid Firefighters and Civilians Killed in Disaster at Mickelberry's Food Products Co.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, In the devastating fire and explosion on February 7, 1968, at the packing plant of Mickelberry's Food Products Company, 801 West 49th Place, four members of the Chicago Fire Department and five civilians lost their lives and seventy-nine persons were injured including eighteen firemen; and

WHEREAS, The four deceased firemen were among seven who boarded Hook and Ladder Truck No. 18 of the 11th Battalion, 4th Division, in the firehouse at 5000 South Union Avenue, Wednesday evening to go to this fire, which brought out nearly 300 firemen and 50 pieces of equipment in response to a 5-11 alarm. Two others of Truck No. 18 were injured. Truck No. 18 and Engine Company No. 59 were the first to arrive at the scene. They had raised ladders to rescue employees trapped on the rooftop when a terrific explosion virtually leveled the building, scattering debris in all directions. Many spectators were injured in the lethal shock wave which followed the blast. Mickelberry's president, Roy R. Laidley, died a hero as he rushed back into the burning plant just before the explosion, in a vain effort to rescue Thomas J. Mongan, the firm's secretary, who was handicapped by a leg ailment. For the superb cooperative efforts of the fire, police and other departments of the city, the Civil Defense, Red Cross, public utility and other workers, hospitals, doctors, nurses and clergymen and the countless individual acts of heroism, the City of Chicago will ever be grateful; and

WHEREAS, These four brave firemen did not die in vain. They did tremendous rescue work in getting employees off the rooftop and down the ladders before the building exploded. They and the two seriously injured firemen of Truck No. 18 led about thirty-five people to safety in the few minutes they worked at the fire; and

WHEREAS, Without thought of self, these four heroes chose their careers with full knowledge that their service might at any moment demand the supreme sacrifice. To the protection of the lives and property of others they devoted their own lives. In fulfilling their duties, they gave their last full measure of devotion. For the sacrifice of these four heroic men, and also for the courage and dedication of their surviving comrades, no man can adequately express his reverence and his sense of gratitude; and

WHEREAS, This tragic event serves to impress all of us with deeper appreciation of the valor of our city's firefighters, who, as soldiers in battle, are prepared to face hazards even at the cost of their lives; now, therefore,

WHEREAS, Senator Scott Lucas was a most able and highly respected political leader. He was a Member of the Illinois Delegation at the Democratic National Conventions of 1932, 1940, 1944 and 1948, in both of the last two of which he was proposed as a "favorite son" candidate for the Vice-Presidential nomination. He served as Chairman of the Midwestern Division of the Democratic National Committee in 1940 and was named the 1946 and 1948 Chairman of the Democratic Senatorial Campaign Committee. He was elected to the House of Representatives of the 74th Congress in 1934, from Illinois' Downstate 20th District, and elected to the 75th Congress in 1936. He was a member of two major committees of the Senate-Finance and Agriculture, and was Chairman of the Democratic Policy, Conference, and Steering Committees. Before the entry of the United States in World War II, he strongly backed lendlease and rearmament measures. He was a constant proponent of Farm and Social Security legislation. He was an articulate spokesman for the New Deal of President Franklin D. Roosevelt, and for the Fair Deal of President Harry S. Truman. He was prominently mentioned as Mr.

Truman's possible running mate in 1948, but announced that he would not accept the nomination. He was Senate Majority Leader when he was defeated in 1950 by Senator Everett M. Dirksen, now Senate Minority Leader. His post of Majority Leader of the Senate ranked Senator Scott Lucas among the most powerful Democrats in the country; and

Tribute Paid Late Harland C. Stockwell.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God, in His Infinite Wisdom, has called from our midst Harland C. Stockwell, Executive Secretary for twenty-two years of The Civic Federation, on February 7, 1968; and

WHEREAS, Harland Stockwell was born in Winthrop, Massachusetts, January 12, 1902. He prepared for his life's work by earning a bachelor's degree from Dartmouth College, a master's degree in public administration at Syracuse University, and a doctor's degree in jurisprudence from John Marshall Law School. He taught public speaking at Gloversville (New York) High School, and was instructor of the debate team at Syracuse University. He came to Chicago in 1928 and became research associate for The Chicago Bureau of Public Efficiency, a taxpayers' organization. In 1932, it merged with The Civic Federation and he served as Assistant Executive Secretary from 1933 to 1946, until becoming Executive Secretary in 1946; and

WHEREAS, Mr. Stockwell was the voice of Chicago-area taxpayers. He was the fourth executive secretary of The Civic Federation, a taxpayers' organization, incorporated in 1894 and privately supported, which concerns itself with a careful scrutiny of the financing and administration of local taxing bodies. He was the federation's chief spokesman. He appeared at almost every local budget hearing for almost forty years and was a familiar figure at budget time in the City Council chamber and the County Board room, offering the federation's views on expenditures and taxes. He also spoke for the federation in Springfield when the General Assembly was in session, concerning state legislation affecting the Cook County local governments. Public officials themselves often turned to him for information and guidance. He was a member and past president of the Government Research Association of the United States. In 1964, he received the distinguished public service award of the Union League Club of Chicago for his notable contributions in many areas of local government; and

WHEREAS, Harland Stockwell served on various citizens' committees that studied specific governmental operations and made recommendations for amendments or additions to the laws. He has been credited with being a prime mover in helping to achieve such major improvements as the establishment of centralized purchasing for Chicago, Cook County and the Metropolitan Sanitary District of Greater Chicago; the cash basis budget law for the Sanitary District; the "staggering" of the quadrennial assessment of real property in Cook County; the initiation of the Cook County Department of Central Services; the unification of many public pension funds; and the consolidation of twenty-two local park districts into the Chicago Park District. This soft-spoken yet persistent and knowledgeable man performed his life's work with great distinction. Through his competent use of responsible research, he led to reducing governmental costs, improving public services, and creating better understanding between taxpayers and public officials charged with the responsibilities of appropriating and spending public funds; now, therefore,

Be It Resolved, That the Mayor and the members of the City Council of the City of Chicago, in meeting assembled this 6th day of March, A.D. 1968, on behalf of the people of Chicago, hereby express their appreciation for the many constructive contributions made by Harland C. Stockwell to Chicago and its citizens and their deep regret at his passing, and extend to the bereaved members of his family their sincere sympathy; and

Be It Further Resolved, That a suitable copy of this memorial resolution be presented to the family of Harland C. Stockwell.

Tribute Paid Late Howard C. Ellis.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God in His Infinite Wisdom, has removed from the scene of his earthly labors Howard C. Ellis, one of Chicago's most widely known attorneys, on February 18, 1968, at the age of 76; and

WHEREAS, Mr. Ellis was senior member of the law firm of Kirkland, Ellis, Hodson, Chaffetz, and Masters, having headed the firm since the death of Weymouth Kirkland in 1965. He had become a partner of the firm in 1919. Many lawyers acknowledge their debt to his influence and example. Mr. Ellis was a sound lawyer, thoroughly conversant with the diverse and complex legal problems of a large metropolitan law firm. He was one of the nation's foremost experts in the law of libel, renowned as a fighter for the freedom of the press. He participated in a number of famous lawsuits in behalf of the Chicago Tribune and Chicago's American, for which he and Mr. Kirkland were general Counsels. One of these was the one million dollar libel suit brought against the Tribune by the late Henry Ford, who thought he had been libeled in 1919 when called an "anarchist" in an editorial, and who was awarded 6¢ in damages. In that case, Ellis established the defense of "fair comment," a basic right of free speech today. In a landmark case, Near versus the State of Minnesota, involving a Minneapolis newspaper, taken to the Supreme Court of the United States by Ellis and Kirkland, the Minnesota Statute passed in 1925, allowing judges to determine if a newspaper should cease publication, was declared unconstitutional as "the essence of censorship." He was also active in winning a 1964 United States Supreme Court decision involving a libel verdict against the New York Times, further extending the right of free speech. He participated in numerous other victories for the freedom of the press, and also appeared in a noted civil suit in which the government charged the E. I. du Pont de Nemours family with antitrust violations, the biggest suit of its kind in the country's history. He represented, among other clients, the Roman Catholic Archdiocese of Chicago, the Chicago Better Business Bureau and the Chicago Board of Trade; and

WHEREAS, Howard Ellis was born in Washington Court House, Ohio, on January 15, 1892. He earned his Bachelor's degree in law from the University of Chicago in 1914, obtaining Phi Beta Kappa honors, and his Doctor of Jurisprudence degree from the University in 1915, in which year he was admitted to practice at the Illinois Bar. Having been rejected for war service by the United States Army for physical fitness reasons, he volunteered as a private in the 56th Artillery Regiment of the French Army and with the French Foreign Legion during World War I, and served with distinction throughout the war. He found time for wide-ranging interests. He was a devotee of fine paintings, an avid reader, a scholar who was a learned student of Shakespeare, and an expert at bridge and at chess. Howard Ellis was a man of great intellectual capacity, understanding and accomplishments. He had a keen sense of humor, charm and a capacity for close and lasting friendships. His imperishable monument is the service he performed in the cause of freedom of speech; now, therefore,

Be It Resolved, That the Mayor and the members of the City Council of the City of Chicago in meeting assembled this 6th day of March A.D., 1968, join with his associates, the members of the Bar, and the many friends of Howard C. Ellis in expressing their regret at his passing and extend to his bereaved relatives their sincere sympathy.

Annual Report.

Court Decision.

Also a communication from the Department of Law, signed by Ronald S. Cope, Assistant Corporation Counsel and Marvin E. Aspen, Head of Appeals and Review Division advising the City Council that on February 19, 1968, the Illinois Appellate Court rendered an opinion in a cause entitled *National Brick Company, et al, vs. City of Chicago, Illinois Appellate Court No. 50802* affirming a judgment of the Circuit Court of Cook County which had dismissed the amended complaint of the plaintiffs. This was a declaratory judgment action brought against the City of Chicago to have certain portions of the zoning ordinance declared void as applied to the property owned by the plaintiffs. The plaintiffs sought to erect multiple dwelling buildings on the property bounded by Touhy Avenue, Howard Avenue, Kedzie Avenue and the western boundary of the City limits. It was the plaintiffs' contention that the evidence they introduced before the Master overcame the presumption of validity in favor of the ordinance; that a decision of the Circuit Court of Cook County in a 1954 action was *res judicata* as to the present action; that the plaintiffs need not have exhausted their local remedies before bringing the instant action; and that the judgment of the Chancellor was against the manifest weight of the evidence. The Appellate Court concluded that the plaintiffs had not exhausted their local remedies and that the suit, therefor, was premature. The Court stated in its opinion that it is not the province nor the duty of the courts to assume the role of a zoning board and to determine the most appropriate or suitable zoning for a parcel of land. The plaintiffs must first seek the alteration from the local legislative authorities before asking the court to intervene.—*Placed on File.*

The Committee on Finance submitted the following report which was at the request of two aldermen present (Alderman O'Rourke and Alderman Sperling) *Deferred* and ordered published:

CHICAGO, March 6, 1968.

To the President and Members of the City Council:

Your Committee on Finance, to which was referred (on February 28, 1968) from the Department of Development and Planning, a proposed ordinance to authorize filing of application with the Economic Development Administration, U. S. Department of Commerce, United States of America, for a grant under the terms of Public Law 89-136, having had the same under advisement, begs leave to report and recommend that Your Honorable Body pass the proposed ordinance transmitted herewith.

This recommendation was concurred in by 27 members of the committee, with no dissenting vote.

Respectfully submitted,

(Signed) THOMAS E. KEANE,

Chairman.

The proposed ordinance transmitted with the foregoing committee report reads as follows:

ORDINANCE

Authorizing Filing of Application with the Economic Development Administration, U. S. Department of Commerce, United States of America, for a Grant Under the Terms of Public Law 89-136.

Whereas, Under the terms of Public Law 89-136, the United States of America has authorized the making of grants to public bodies to aid in financing the construction of specific public projects, including the development of roads, lighting, water and sewer facilities in connection with industrial improvements; and

Whereas, The City of Chicago deems it to be necessary and in the public interest to provide certain facilities of the type contemplated under the terms of Public Law 89-136, and to undertake a Project known as the "Stock Yards Economic Development Project No. EDA 06-1-00628" with Federal Grant assistance; and

Whereas, The City of Chicago finds that a major economic benefit by the industrial development in the project area is to deter the declining job opportunity situation where approximately 28,000 jobs were lost due to the out-migration of the Meat Packers, and further finds that, the prime cause of said loss was due to the lack of adequate access, sewer and water facilities in the area; and

Whereas, Title VI of the Civil Rights Act of 1964, and the regulations of the Department of Commerce effectuating that Title, provide that no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in the undertaking and carrying out of projects receiving Federal financial assistance; therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. That the Mayor of the City of Chicago be, and he is hereby authorized to execute and file an Application on behalf of the City of Chicago, with the Economic Development Administration, United States Department of Commerce, for a Grant to aid in financing the construction of roads, lighting, water and sewer facilities in the Chicago Stock Yards area between Pershing Road and 47th Street, Ashland Avenue and Halsted Street, in Chicago, Illinois.

Section 2. That the Commissioner of the Department of Planning and Development, be, and he is hereby authorized and directed to furnish such information as the Economic Development Administration, U. S. Department of Commerce, may reasonably request in connection with the Application which is herein authorized to be filed.

Section 3. That the United States of America and the Secretary of Commerce be, and they hereby are, assured of full compliance by the Applicant with the regulations of the Department of Commerce effectuating Title VI of the Civil Rights Act of 1964.

Section 4. That the Stock Yards Economic Development Project will be carried out in full compliance with applicable Federal Statutes and regulations of the Secretary of Labor pertaining to the employment of laborers and mechanics on projects assisted with Federal funds.

Section 5. This ordinance shall take effect immediately upon its passage and approval.

Congratulations Extended Chicago Association of Commerce on Editorial Expression in Their Magazine, Commerce, on Patriotism and National Understanding.

A proposed resolution reading as follows:

WHEREAS, It is of the utmost importance, if our great American tradition of democracy is to be maintained and if its future greatness and strength as a government of the people, by the people and for the people is to be held inviolate through the ages, that all our citizens be forever gratefully mindful that people of all creeds, faiths and national origins have worked and struggled together and have fought loyally and valiantly for its cause from the very beginning of the establishment of our incomparable republic, now 200,000,000 strong; and

WHEREAS, The Chicago Association of Commerce,

through its outstanding magazine, Commerce, the voice of business and industry in the Midwest, in its December 1967 issue portrayed on its striking cover, through the genius of artist Howard Borggren, Chicago's distinguished patriotic symbol of the freedom and unity of all peoples, the heroic monument in bronze and marble of George Washington, Robert Morris and Haym Salomon, the last work of the revered Lorado Taft and the gift of The Patriotic Foundation of Chicago, which monument for over a quarter of a century has stood at Wacker Drive and Wabash Avenue, against the dramatic backdrop of the city's giant skyscrapers, as a beacon light of American tolerance and democratic unity and of the cooperation of all races and creeds in the building of the United States; and

WHEREAS, The editorial page of Commerce carried the following explanation of the historic monument portrayed on the magazine's cover:

"The spirit of the season has been captured in the Chicago scene painted for the cover of this issue by artist Howard Borggren. Twinkling lights on the twin towers of Marina City symbolize both the Christmas message of peace on earth, good will toward men and the message of Hanukkah, the Jewish festival of lights and feast of dedication, when gifts are exchanged and gifts are made to the poor.

In the foreground is a monument designed by Lorado Taft and completed by Leonard Crunelle which was presented to the City of Chicago by The Patriotic Foundation of Chicago and dedicated on the 150th anniversary of the ratification of the American Bill of Rights, December 15, 1941.

Few busy Chicagoans have ever stopped to read the inscription on the monument, nor even to note the subjects—three American Patriots—Robert Morris, George Washington and Haym Solomon. Morris, a Pennsylvania signer of the Declaration of Independence, saved a new nation's floundering financial system in 1771 when, as the government's finance superintendent, he established the Bank of North America and issued notes, based on his own credit, which served as money while all other paper currency of the republic was virtually worthless. Leaving his government post, he lost his fortune in land speculation and was imprisoned from 1798 to 1801 for bankruptcy. Morris died in poverty and obscurity.

Haym Salomon, born in Poland, descended from Portuguese Hebrew stock, came to America, where he early was identified with the cause of independence. Imprisoned by the British on a charge of espionage, he escaped and became an agent of Robert Morris. He obtained large subsidies from Holland and France for conduct of the Revolution. He lent Morris $600,000 of his own money for the patriot cause. At the time of his death, only $200,000 had been returned. Salomon also supplied funds to Jefferson, Madison, Randolph and other patriot leaders.

Below the inscribed names of the three sculpted figures appear these words: 'The government of the United States which gives to bigotry no sanction, to persecution no assistance, requires only that they who live under its protection should demean themselves as good citizens in giving it on all occasions their effectual support.

President George Washington, 1790.'

A separate inscription identifies the monument as a 'Symbol of American tolerance and unity and of the cooperation of all races and creeds in the upbuilding of the United States.'

And isn't tolerance, unity, and cooperation one of the principal messages of both the lights of Christmas and the Hanukkah menorah?"

Now, Therefore, Be It Resolved, That the City Council of the City of Chicago, in meeting assembled, congratulates the Chicago Association of Commerce and its distinguished membership embracing scores of our nation's outstanding organizations in the fields of industry and commerce and the hundreds of men and women associated with those great business organizations, on the editorial expression in their magazine, Commerce, which truly constitutes an inspiring essay in patriotism and national understanding, so much needed today, of the real meaning to our citizenry of American democracy; and

Be It Further Resolved, That the City Clerk be and hereby is directed to send copies of this resolution to the Editor of Commerce Magazine, to the President of the Chicago Association of Commerce, to its Officers and Members of its Board of Directors, and to the Officers of The Patriotic Foundation of Chicago.

Tribute Paid Late Thomas H. Carey.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council presented the following proposed ordinance:

WHEREAS, Almighty God, in His Infinite Wisdom, has called to his eternal reward Thomas H. Carey, former Director of the Department of Air Pollution Control of the City of Chicago, on March 10, 1968, at the age of 82 years; and

WHEREAS, Mr. Carey was an employee of the City for 51 years. He entered its service in 1910, as a deputy smoke inspector in the then Smoke Inspection and Abatement Department. He served as First Assistant to Frank Chambers, the then head of the department, until the latter's death at which time he was appointed head of the department by the then Mayor Martin H. Kennelly. When the new comprehensive Air Pollution Control Ordinance was passed by the City Council on May 1, 1959, the most modern in the nation and a model for all cities, Thomas Carey became the first Director of the Department of Air Pollution Control created by the Ordinance, which was designed to combat all forms of air pollution, and provided for administrative control of the air pollution problem; and he retired as Director of the new Department of Air Pollution Control in October 1961; and

WHEREAS, Thomas Carey was thoroughly conversant with the practical aspects of combustion and the nature and sources of air pollution and the manifold problems of its control and was most helpful in placing his knowledge and the resources of his Department at the disposal of Mayor Richard J. Daley's Air Pollution Committee and of the scientists and engineers of Armour Research Foundation and the Illinois Institute of Technology, and of the Corporation Counsel's Office throughout some five years of research for and drafting of the new ordinance; and

WHEREAS, Mr. Carey, through his guidance and counsel, was a motivating force in implementing the plan for the modern Air Pollution Control Ordinance, and, moreover, by his resolute firmness in its enforcement, set a precedent for vigorous prosecution of the new, more stringent standards. He, who had risen through the ranks to become Director of the Department of Air Pollution Control after many years of loyal and conscientious application to his civic duties, was indeed a good and faithful servant, who justly earned the respect of his former colleagues, associates and fellow employees, who will mourn his loss; now, therefore,

Be It Resolved, That the Mayor and members of the City Council of the City of Chicago, in meeting assembled this 20th day of March, A. D. 1968, hereby express our deep regret at the passing of Thomas H. Carey, and extend to his bereaved family our sincere sympathy; and

Be It Further Resolved, That a suitable copy of this resolution be presented to the family of Thomas H. Carey as an expression of our sympathy.

WHEREAS, Mr. Whitty was a graduate of the Loyola University Law School and was admitted to the Illinois Bar in 1913. He was a member of the firm of Whitty & McGah; and

WHEREAS, Mr. Whitty devoted a considerable part of his career to public service, having served as a First Assistant United States Attorney, First Assistant Attorney for the Sanitary District of Chicago, Assistant Attorney for the City of Chicago, Secretary of the Chicago Park District, and Ward Committeeman of the 6th Ward. His activities included membership on the Citizens Board of Loyola University; and

WHEREAS, Elmer J. (Doc) Whitty was a kindly and courteous person whose humane qualities endeared him to innumerable friends. His death is a great loss to all who knew him; now, therefore,

This Agreement, made and entered into this ..... day of ....., 1967 at 100 East Erie Street, Chicago, Illinois, by and between The Metropolitan Sanitary District of Greater Chicago, hereinafter referred to as "Metropolitan" and The City of Chicago, hereinafter referred to as "Chicago",

Witnesseth:

Whereas, Metropolitan is a municipal corporation organized and existing under the laws of the State of Illinois, having among its purposes the ownership, maintenance and operation of an intercepting sewer system; and

Whereas, Chicago is a municipal corporation organized and existing under the laws of the State of Illinois, having among its purposes the ownership, maintenance and operation of local sewerage systems; and

Whereas, the territorial limits of Chicago are wholly within the territorial limits of Metropolitan; and

Whereas, Chicago desires to construct The Birchwood Avenue System, Contract No. 1 sewer along the following route:

Along N. Oakley Avenue south to W. Birchwood Avenue, along W. Birchwood Avenue from N. Oakley Avenue west to N. Kedzie Avenue, along N. Kedzie Avenue from W. Birchwood Avenue north for a distance of approximately 179 feet and thence west to an outfall at the North Shore Channel.

To intercept sanitary flows from this system it will be necessary to construct a siphon crossing from said outfall west under the North Shore Channel to the North Side Intercepting Sewer System. Said siphon is indicated on the map attached hereto and made a part hereof as Exhibit "A" and will hereinafter be referred to as "Northside Intercepting Sewer, Contract No. 3-C, Birchwood Avenue Siphon" or for short "Siphon"; and

Whereas, the existing construction program of Metropolitan includes a siphon in the vicinity of the above route and it has been determined that Metropolitan has a need for a siphon at this time; and

Whereas, the parties are desirous of entering into an agreement whereby Chicago will construct said siphon together with the construction of a system of local sewers, and upon completion, convey, transfer and assign all of its right, title and interest to said siphon, including all rights of way and easements, to Metropolitan for which Metropolitan shall pay to Chicago a sum equal to the cost of design, construction, supervision and acquisition of rights of way for said siphon;

Now, Therefore, in consideration of the mutual covenants and agreements to be kept and performed by the respective parties hereto, it is agreed as follows:

1. *Design, Construction and Supervision*
That the above described siphon shall be designed, constructed and supervised during construction by Chicago, and Chicago, or its contractor, shall have complete charge and full supervision of the work. Metropolitan, in connection herewith, does hereby grant to Chicago all necessary rights and privileges to enter upon and use the property of Metropolitan for the construction of aforesaid siphon and its appurtenances and does also grant unto Chicago the right in perpetuity to maintain, clean, repair or reconstruct the outfall structure being constructed in connection with said siphon.

2. *Size of Structure*
The complete siphon shall consist of a 15″ diameter approach sewer; a siphon with an east and west chamber and a two barrel (12″ diameter) channel undercrossing and a 15″ diameter discharge sewer, including a manhole, with a connection to the existing 15′-0″ Metropolitan intercepting sewer.

3. *Plans and Specifications*
Plans, specifications, contractor's proposal, and other contract documents for the sewer project shall be prepared by Chicago or such engineering firm as it might designate, but shall be subject to the approval of the Chief Engineer of Metropolitan. Chicago shall furnish a copy of the design data and calculations, plans and specifications for review and approval by Metropolitan. Upon completion of construction, final inspection and approval, Chicago shall furnish Metropolitan one set of reproduced linen tracings

of the complete siphon, the outfall and the control structure showing the "as built" conditions.

4. *Cost Determination*
It is the understanding of the parties that the cost of said siphon and appurtenances represents an estimated cost which was determined after review of the plans detailing the work to be performed. The total cost as stated in Paragraph 7 below represents a fair and equitable amount for the design, construction and supervision of construction as agreed to by the parties. Metropolitan shall not be liable for any further reimbursement to Chicago for any additional cost incurred by Chicago in the completion of the siphon as stated.

5. *Inspection and Approval*
All work in connection with said siphon project, at all times during construction and after completion, shall be subject to the inspection and approval of the Engineering Department of Metropolitan. All work shall be performed in accordance with standards satisfactory to Metropolitan. Chicago shall provide inspection and field supervision during construction of the siphon at the cost agreed to in Paragraph 7 of this agreement.

6. *Documents of Right, Title and Interest*
Upon completion and final inspection and approval by Metropolitan, the City Council of the City of Chicago shall pass an ordinance and/or resolution authorizing its officers to execute all documents necessary to transfer, convey and assign to Metropolitan all of Chicago's right, title and interest to said siphon, including all rights of way and easements, free and clear of any liens and encumbrances. All such documents shall be subject to the approval of the Attorney for Metropolitan.

7. *Payment*
Upon delivery of all documents of right, title and interest to Metropolitan, Metropolitan shall pay to Chicago a sum equal to the total cost of the lump sum of $115,540 which is based upon $3,300 for design, $3,000 for supervision of construction and $109,240 for the estimated cost of construction for the siphon, as approved by Metropolitan. It is understood and agreed that Metropolitan cannot and will not make any payment for any local sewers constructed under this contract.

8. *Requirement for Additional Connections After Conveyance*
Upon conveyance of said siphon to Metropolitan, it will become a part of Metropolitan's sewerage system and thenceforth any connection to said siphon shall be made only after written notification to Metropolitan. Connections shall be examined and reviewed in accordance with the rules and regulations and standards of Metropolitan.

9. *Surcharge*
Metropolitan cannot and does not assume any responsibility for preventing surcharge of any sewerage system nor does it assume the responsibility for the flooding of land, homes or any other structures caused by a surcharge.

10. *Laws, Ordinances and Rules*
Chicago shall comply strictly with all laws, ordinances and rules of Metropolitan, the municipalities within which the work is being carried on, the State of Illinois, and the United States Government in any manner affecting the work hereunder or controlling or limiting in any way the actions of those engaged on work pertaining to this contract. Chicago shall defend, indemnify and hold Metropolitan harmless from any liability resulting from a failure to comply with the terms of the above mentioned laws, ordinances and rules, or expenses incurred in connection therewith.

11. *Damages and Indemnity*
Chicago covenants and agrees that it shall be solely responsible for and will pay for all valid claims, and demands whatsoever, and for all damages because of bodily injuries, including death at any time resulting therefrom, accidentally sustained by any person or persons, for injury to real property, personal property, including the loss of use thereof, arising out of or in consequence of the performance of this work, and it hereby agrees to defend, indemnify and hold harmless Metropolitan against all loss or expense by reason of any liability imposed by law and against all suits and actions of every name and description brought against Metropolitan, for or on account of any bodily injuries, including death at any time resulting therefrom, accidentally sustained by any person or persons, for injury to real property, personal property, including the loss of use thereof, caused by Metropolitan, Chicago, the contractor, any subcontractor, their servants, agents, or employees, or anyone else arising out of or in consequence of the performance of this work; or by or in consequence of any negligence in guarding the same; or by or on account of any omission or act of Metropolitan, Chicago, any contractor or subcontractor, their agents, servants, employees or anyone else; whether such injuries be attributable to the negligence of Metropolitan, Chicago, the contractor, any subcontractor, or their agents, servants, employees or any one else; and Chicago further agrees that so much of the money due it under and by virtue of this contract as shall be considered necessary by the Board of Trustees of Metropolitan, may be retained by Metropolitan to protect itself against loss until such suit or claim for damages shall have been settled, or otherwise disposed of, and evidence to that effect shall have been furnished to the satisfaction of the Board of Trustees of Metropolitan.

12. *Maintenance Bond*
The contract for said sewer project shall provide for a separate five year maintenance bond for the siphon item to be furnished by the Contractor. The form of said bond shall be subject to the approval of the Law Department of Metropolitan and shall be transferred to Metropolitan upon payment of Metropolitan's share for the siphon.

13. *Time*
In the event construction on Chicago's sewer

project does not begin within one year from the date of this agreement, then, at the option of either party, this agreement shall be declared null and void and both parties shall be released from any obligation hereunder.

14. *Maintenance and Operation*

Chicago shall operate, maintain, and keep in good repair its local sewerage system including the connection to the siphon. It shall be the responsibility of Metropolitan to operate and maintain the siphon only.

In Witness Whereof, on the day and year first above written, The Metropolitan Sanitary District of Greater Chicago has caused these presents to be executed, in duplicate, by the Chairman of the Committee on Finance as the duly authorized officer of the Board of Trustees, the General Superintendent, and the Purchasing Agent, duly attested by the Clerk of the Board, and its corporate seal to be hereunto affixed, and the City of Chicago has caused these presents to be reviewed and accepted, in duplicate, by the Commissioner of Public Works, acting as the duly authorized officer of said City of Chicago.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Mayor be, and he is hereby authorized and directed to execute, the City Clerk to attest, the Commissioner of Streets and Sanitation to approve, the Corporation Counsel to approve as to form and legality, and the City Comptroller to accept and file for record, a certain Agreement between the Norfolk and Western Railway Company and the City of Chicago providing for the relocation of railroad tracks and crossings, which Agreement is in substance and form as follows:

AGREEMENT

This Agreement, made this ..... day of ....., 1968, by and between the Norfolk and Western Railway Company, a Virginia

corporation (hereinafter referred to as the "Railroad") and the City of Chicago, a Municipal corporation (hereinafter referred to as the "City").

Whereas, the Railroad now occupies and for many years past has occupied a portion of S. Yates Avenue (a street which has been dedicated but which has never been used for street purposes) between E. 118th Street on the North and the center line of E. 124th Street on the South; and

Whereas, the Railroad has been ordered by the Secretary of the Army of the United States of America, pursuant to Title 33 of the United States Code, Sections 511 through 523 (Truman-Hobbs Act) to remove the existing "swing" bridge which presently spans the Little Calumet River and carries the Railroad's two main tracks over the river; and

Whereas, pursuant to such Act there is to be constructed a new bridge to the West of the present bridge and such construction will require the permanent relocation of the track approaches to the new bridge, both North and South of the river; and

Whereas, the Railroad has requested the authorization of the City for the relocation of its tracks within and across said public streets mentioned hereinabove;

Now, Therefore, in consideration of the agreements and covenants herein contained and other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto covenant and agree each with the other as follows:

1. Permission and authority are hereby given and granted Norfolk and Western Railway Company, a corporation of the Commonwealth of Virginia, its successors and assigns, to construct, reconstruct, lay, maintain, renew, and operate its railroad over two main tracks in, upon, and along S. Yates Avenue from the center line of E. 118th Street to the center line of E. 124th Street at the locations shown by heavy black lines on the plans prepared by Sverdrup & Parcel and Associates, Inc., entitled "Line Relocation for Bridge No. 507.98, Chicago, Illinois," dated December 31, 1963, revised March 29, 1966, bearing File No. N-507.98-63, a copy of which is attached hereto and made a part hereof as Exhibit "A", by reference.

2. Permission and authority are also hereby given and granted Norfolk and Western Railway Company to construct, reconstruct, lay, maintain, renew and operate its said two main tracks across E. 118th Street, E. 119th Street, E. 120th Street, E. 121st Street, E. 122nd Street, E. 123rd Street, and that portion of E. 124th Street North of the center line thereof, in conformity to the alignment of main tracks shown in heavy black lines on Exhibit "A" attached and made a part hereof.

3. Nothing in this Agreement contained shall be construed as depriving the City of the right of exercising any police power which it would have possessed or enjoyed had this Agreement not been executed.

4. The City of Chicago hereby reserves the power and the right is hereby granted to it by said Railroad, its successors and assigns, to cross within now-dedicated public streets the right-of-way and tracks of said Railroad, its successors and assigns, with sewer pipes, water pipes, gas pipes, or other like sub-surface public improvements (not including railroad street crossings at, above, or below grade of rails), made and authorized by the City of Chicago or by any corporation duly authorized thereto by said City. All plans for the construction of such public improvement crossing shall be submitted to and approved by the Railroad, which approval shall not be unreasonably withheld. The construction of such public improvement crossings shall be completed diligently in a reasonable time and the Railroad shall receive forty-eight (48) hours advance notice of all work thereon. When such crossings are made by the City of Chicago, the Railroad shall, at its own expense, and without cost to the City of Chicago, protect its tracks while such crossings are being made.

5. Nothing in this Agreement contained shall be construed as depriving the City of any air rights which it would have possessed or enjoyed had this Agreement not been executed.

6. The Railroad shall indemnify, keep, and save harmless the City against all causes of action and judgments against said City which may arise out of the relocation of the crossings authorized by this Agreement or which may arise out of the maintenance of said relocated crossings. The indemnification provided herein shall be conditioned upon the receipt by Railroad of reasonable notice by City of the existence of such causes of action and possible judgments.

7. The permission and authority herein given and granted to the Railroad shall be contingent upon the entry of an order of the Illinois Commerce Commission authorizing and permitting such track relocation and street crossings.

8. If in the future either the City or the Railroad shall desire to take any action with respect to a "railroad-street crossing" in connection with any of the now-dedicated public streets which are set forth in paragraph 2 hereof, the party desiring to take such action shall not unilaterally nor independently file a petition with the Illinois Commerce Commission for authority so to do, but shall first consult with the proper representatives of the other party, and each party will then attempt in good faith to agree or resolve the matter, either by conference or correspondence, or both, and in the event of their mutual accord, they may present, at the option of City, a joint and agreed petition, in a form acceptable to both parties hereto, to the Illinois Commerce Commission with respect to the matter and, failing to agree after reasonable good faith efforts on each side, the party initiating the action shall be free to file independently its petition with the Illinois Commerce Commission with respect to the proposed "railroad-street crossing".

Dated this ..... day of ....., 1967.

Court Decision.

A communication from the Law Department addressed to the members of the City Council under date of March 11, 1968, signed by Howard C. Goldman, Assistant Corporation Counsel and Marvin E. Aspen, Head of Appeals and Review Division, advising the City Council that on March 11, 1968 the Appellate Court of Illinois, in a cause entitled *Van J. Paulus v. Sidney D. Smith, et al. Appellate Court No. 52382,* affirmed the judgment of the Circuit Court. Van J. Paulus, plaintiff, obtained permits to erect an electrical advertising sign which was visible from the Edens and Kennedy Expressways; after the sign was erected the department which issued the permit revoked it on the grounds that it did not comply with the existing appropriate ordinance. Paulus filed an action in the Circuit Court which decided in his favor. The defendants filed an appeal and the Appellate Court established guide lines for determining whether the sign complied with the ordinance and remanded the case to the trial court to determine whether the sign under the guide lines was in violation, and if so, Paulus was to be given an opportunity to correct the same. On remand, Paulus offered to reduce the size and relocate the sign; the trial court decided that with these changes the sign complied and restrained the authorities from revoking the permit or otherwise interfering with the sign. This order was affirmed by the reviewing court.—*Placed on File.*

STRUCTURAL NOTES:

PLACING OF CONCRETE: CONCRETE SHALL BE PLACED IN ACCORDANCE WITH THE METHOD OUTLINED IN THE SPECIFICATIONS.

CONSTRUCTION JOINTS: JOINTS NOT INDICATED ON THE DRAWINGS SHALL BE SO MADE AND LOCATED AS NOT TO IMPAIR THE STRENGTH OF THE STRUCTURE AND SHALL BE APPROVED BY THE COMMISSIONER. JOINTS SHALL BE CONSTRUCTED IN ACCORDANCE WITH THE METHOD OUTLINED IN THE SPECIFICATIONS.

CONCRETE PROTECTION FOR REINFORCEMENT: ALL REINFORCING STEEL SHALL HAVE CLEAR CONCRETE COVERING AS FOLLOWS: 3" AT EXTERIOR SURFACES WHERE CONCRETE IS DEPOSITED AGAINST THE GROUND; 2 1/2" AT SURFACES WHERE CONCRETE IS FORMED BUT SUBSEQUENTLY WILL BE IN CONTACT WITH SEWAGE; 2" AT ALL OTHER SURFACES (UNLESS OTHERWISE NOTED).

REINFORCING STEEL: ALL REINFORCING BARS SHALL BE ACCURATELY PLACED AND SECURELY SUPPORTED BY BAR SUPPORTS, SPACERS OR HIGH CHAIRS. REINFORCING BARS SHALL BE LAPPED A MINIMUM OF 32 BAR DIAMETERS UNLESS OTHERWISE SHOWN OR NOTED. UNLESS OTHERWISE NOTED, HOOKS AND BENDS ON BARS SHALL CONFORM TO RECOMMENDED DETAILS AS GIVEN IN THE "MANUAL OF STANDARD PRACTICE FOR DETAILING REINFORCED CONCRETE STRUCTURES" A.C.I. 315-65. THE FOLLOWING ABBREVIATIONS ARE USED TO INDICATE THE LOCATION OF REINFORCING BARS:

T.	DENOTES TOP	O.F.	DENOTES OUTSIDE FACE	E.F.	DENOTES EACH FACE
BOT.	" BOTTOM	N.F.	" NEAR FACE	E.W.	" EACH WAY
I.F.	" INSIDE FACE	F.F.	" FAR FACE		

PLACING BAR SUPPORTS: ALL REINFORCING BARS SHALL BE SUPPORTED, ANCHORED, AND TIED AND SHALL CONFORM TO "RECOMMENDED PRACTICE FOR PLACING REINFORCING BARS," 1963, PREPARED BY THE CONCRETE REINFORCING STEEL INSTITUTE.
